Dear Families,

We are excited to welcome you to second and third grade at P.S. 142! Even though there are still many questions about what school will be like in September, we know students will need some basic supplies (either at home or in school) in order to get started in second and third grade.

If possible, **please prepare to contribute \$10**. This money will be used by the teacher to purchase materials (notebooks, folders, pencils) for your child this school year. You can do this on the first day of school, or to the office over the summer, and we will have everything your student will need ready for them. If you have any questions, please feel free to email ksherman@ps142m.org.

Can't wait to meet you all!

– Your 2nd / 3rd Grade Teacher
